

## **:: HOLIDAYS ACROSS THE OCEAN VOLUNTEER ::**

LittleDrops Orphanage Fund is seeking volunteers to help us make the most of the 2017 holiday season so that we can continue to address and eliminate obstacles in the lives of parentless and vulnerable children in Sub-Saharan Africa. We believe that being an orphan should not put permanent limitations on a child's life or stifle their dreams. While each child has walked a different path in life, they all have one thing in common: they need help.

The tasks of our volunteers will center on our Holidays Across the Ocean campaign. While Americans spend over \$600 billion dollars on gifts each holiday season, many people are becoming more excited about giving meaningful gifts that keep giving. We want to provide the opportunity or anyone to give the gift of helping an orphan in need.

Our campaign plans to utilize an online store with electronic and physical card options that will allow shoppers to purchase gifts such as 6 months of school tuition, 5 school uniforms, or 1 year of lunches for a child. Below are the main projects with which we need your help. If you can contribute to any of these, please let us know!

### **PROJECTS:**

- Research, including but not limited to postcard printing quotes, potential campaign partners (schools, religious institutions, etc), corporate donors for matching funds
- Emailing potential partners
- Graphic design
- Hosting holiday gatherings where cards can be purchased
- Recruit hosts for holiday gatherings
- Social media campaign sharing

### **PREFERRED SKILLS:**

- Ability to work independently on projects
- Attention to detail
- Ability to deliver on deadlines
- Strong communication
- Passion for social justice

Please email your weekly/monthly availability and what tasks you are best suited for to [info@littledropsorphanagefund.org](mailto:info@littledropsorphanagefund.org) with the subject line, "Holidays Across the Ocean Volunteer".

**We cannot do the work we do without the help of generous people like you!**
