

:: GRAPHIC DESIGN INTERNSHIP ::

LittleDrops Orphanage Fund is seeking interns to join us in our work to address and eliminate obstacles in the lives of parentless and vulnerable children in Kenya, Uganda, Rwanda, Cameroon, Ghana, and Nigeria. We believe that being an orphan should not put permanent limitations on a child's life or stifle their dreams. While each child has walked a different path in life, they all have one thing in common: they need help.

The main tasks of our Graphic Design Intern will be creating visual content for website and social media platforms and holiday cards.

SKILLS:

An intern should bring the following essential skill set to this position.

- Experience and/or coursework in graphic design
- Attention to detail
- Ability to work independently on projects
- Ability to deliver on deadlines
- Strong communication
- Passion for social justice

BENEFITS:

The benefits of this internship are exciting and important.

- Gain professional experience with an international nonprofit
- Work under a direct supervisor who will give feedback on your work
- Expand your portfolio
- Raise awareness about orphans and societal factors contributing to at-risk youth
- Play a role in getting vulnerable children the help they need
- Future job reference

LOGISTICS:

- Unpaid internship
- 5 hours per week
- Work entirely remotely, with initial in-person or Skype meeting and monthly check-in
- Minimum of 4 months, with 6+ month preference

If you are interested in our internship, please send your resume, availability, and 3-5 image samples of your work to info@LittleDropsOrphanageFund.org with subject line "Graphic Design Internship".
